

# DURABUILT® Colour Matches with Colorbond® Colours

EasySHED® and PanelPLUS® sheds are available in 25 colours including zinc. This chart will assist in matching your shed colour to your home or fence. Please note you can change the roof or wall colours to give you 625 colour options.

## DURABUILT® COLOUR

The colours shown are representative only. See steel sample for accurate colours. Colorbond® is a registered trademark of Bluecope Steel.
